

# TS SOLIDBAR

The Solidbar Odor Counteractant from  
American Sanitary Products, Inc.

- ... is the best and most cost effective odor counteractant on the market today.
- ... is a unique blend of essential oils and aromatic chemicals designed to counteract unpleasant odors through a superior delivery system.
- ... is non-toxic, non-irritating, non-flammable.
- ... is NOT a mask, nor an olfactory desensitizer.

Use TS SOLIDBAR in any area where malodors occur.

General Hospitals   Geriatric or Long Term Care Facilities   Mental Health Facilities   Health & Fitness Facilities
